

CELEBRATION OF SARWATRA SWACHHTA AT ICAR-NATIONAL BUREAU OF AGRICULTURAL INSECT RESOURCES HEBBAL CAMPUS, BENGALURU

Sarwatra Swachhta Divas was celebrated at ICAR-NBAIR Hebbal campus. Nandi hills which is a famous tourist spot was cleaned in some areas (Source of River Palar) and made free from plastic covers, plastic bottles, etc. Also weeding was done in few areas. The pond was also cleaned and made free from plastic. The public awareness was done by displaying Swachhta banner and educating people on cleanliness.

Plastic waste collection and weeding undertaken

The Insectarium in the Hebbal campus was cleaned which is open for public viewing especially school kids.

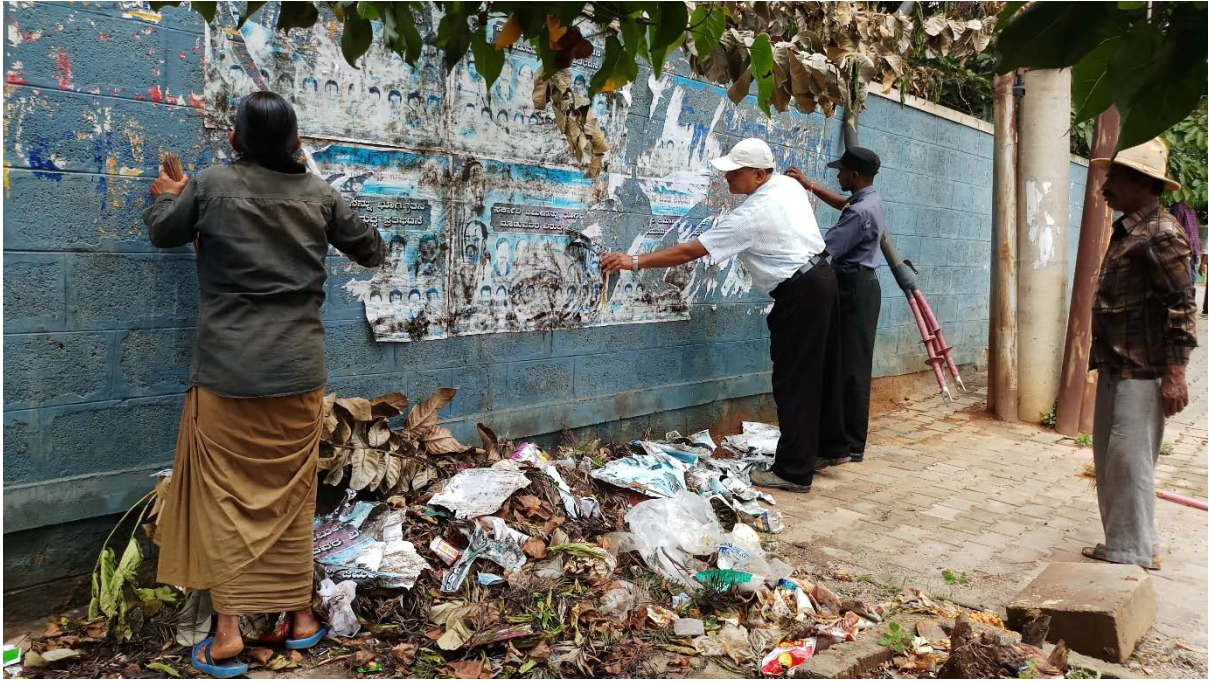

CELEBRATION OF SARWATRA SWACHHTA AT ICAR-NATIONAL BUREAU OF AGRICULTURAL INSECT RESOURCES YELAHANKA CAMPUS, BENGALURU

Sarwatra Swachhta Divas was celebrated at ICAR-NBAIR Yelahanka campus on 25th September 2017 between 10.30 AM to 12.30 PM. The public walkway outside the entrance of office campus was cleaned. The public notices and advertisements laid over the walls of the office campus were removed, piled up and kept aside for collection of wastes by BBMP. Parthenium weeds near the field bunds were removed, piled and sent to the compost pit for recycling. Stones lying in the walkway were collected, piled up in one place to create aesthetic rockery in the farm campus.
