

73rd REPUBLIC DAY CELEBRATED AT ICAR-NBAIR, Bengaluru

The 73rd Republic day was celebrated at ICAR- National Bureau of Agricultural Insect Resources, Bengaluru on 26.01.2022 at both Hebbal and Yelahanka campuses with the hoisting of National Flag and singing of National Anthem. Dr. M. Nagesh, Director Incharge, unfurled the National Tricolour in the presence of NBAIR staff and addressed the gathering. At ICAR-NBAIR, Yelahanka campus the National Tricolour was unfurled by Dr. T. M. Shivalingaswamy, Officer-Incharge. All the staff of ICAR-NBAIR actively participated in this event.

The two major Laboratory Complexes of the institute namely one at Hebbal was formally named as Dr. S.P. Singh Laboratory complex and the complex at Yelahanka was named as Dr. R.J. Rabindra Laboratory complex in honour of the first two Directors of the institute.

Commemorating the celebrations of Azadi Ka Amruth Mahotsav (2021-22), it was decided to recognize the motivating and contributive leadership of two of the founders Directors of PDBC, AICRP-BC and NBAII, late Dr. S. P. Singh (1989-2001) and Dr. R. J. Rabindra (2001-2012) by naming two lab complexes at Hebbal and Yelahanka respectively in their names. Dr. M. Nagesh, Director (Acting) formally declared that the two lab complexes as S. P. Singh Research lab complex and R. J. Rabindra Research laboratory complex which would be formally inaugurated by suitable dignitaries at an appropriate time.
