

ICAR-National Bureau of Agricultural Insect Resources (NBAIR), Bengaluru, organized a Tribal Sub-Plan (TSP) programme at KVK, Charmarajanagara, on 04 August 2026.

ICAR-National Bureau of Agricultural Insect Resources (NBAIR), Bengaluru, organized a Tribal Sub-Plan (TSP) programme at KVK, Charmarajanagara on 4th August 2026. Dr. T. Venkatesan, Director(A), ICAR-NBAIR, participated as the Chief Guest and distributed bioagents inputs to 107 tribal farmers to support and uplift their livelihoods. In his address, Dr. T. Venkatesan emphasized the importance of using bio-pesticides and adopting eco-friendly pest management practices to minimize pest and disease incidence. He also encouraged farmers to participate in training programmes organized by ICAR-NBAIR. Dr. G. Sivakumar, Principal Scientist, ICAR-NBAIR, and Officer Incharge, AICRP Biological Control, briefed the farmers on the importance of bio-pesticides and the benefits of organic vegetable cultivation. ICAR-NBAIR Scientists Dr. Deepa Bhagat, Dr. C. Manjunatha, Dr B S Manjunatha, Dr. Shivakumara K T. and Technical officer Ms. L. Lakshmi and Dr. Raghavendra were actively participated in this programme.
