

Visit of Dr. D. K. Yadav, Deputy Director General (Crop Science) to ICAR-NBAIR, Bengaluru

ICAR-NBAIR, Bengaluru, September 17, 2026

ICAR-National Bureau of Agricultural Insect Resources (NBAIR), Bengaluru witnessed the visit of Dr. D. K. Yadav, Deputy Director General (Crop Science) on 17.09.2026. He was formally welcomed by the Director, ICAR-NBAIR, Dr. T. Venkatesan, in presence of the staff and students of ICAR-NBAIR. The DDG visited the various facilities in ICAR-NBAIR viz., National Insect Museum (NIM), Live Insect Repository Unit (LIRU) and Insect Biosafety Lab (IBSL-2). He appreciated the good work being carried out at the Bureau with such infrastructure facilities.

Later on, Dr. Yadava interacted with the staff and students of ICAR-NBAIR and emphasised the need of better utilization of resources for the benefit of farming community. He has specially mentioned about the systematic target-oriented work culture in order to obtain tangible results for the research work undertaken by each Scientist. The inspirational speech by the DDG (CS) has not only motivated the scientists but also enlightened the young minds of staff and students to serve better for the farming community.

The visit was concluded by the expression of sincere gratitude by the Director, ICAR-NBAIR.
